PARKER LIPMAN LLP

Delivering the Best

Parker Lipman has built an outstanding reputation for representing clients who suffer personal injuries, devastating loss, or other significant harm caused by the wrongs of others. Known for its personalized attention, unique solutions and willingness to focus on a select number of cases, the firm has achieved outstanding results for its clients. Its excellence is also recognized by peers. All five attorneys have been named to Super Lawyers or Rising Stars, and founder Lorraine Parker is **ranked #1 this year** in the entire state of Colorado. Her expertise in personal injury and medical malpractice law as well as other plaintiff litigation has made her a leader in legal circles for more than three decades.
